

**A Day at the Seaside**  
**by Sanushan – Year 5**

I am going to write a story to tell you all about the day at the seaside.

My day at the seaside was at Bournemouth and my family came with me on the trip. I was excited, overjoyed and flabbergasted when I heard that my Mum and Dad were taking us to the seaside. I had to take a bucket and spade, a towel and my swimming costume with me. My Mum bought food and drink for a picnic including a blanket to sit on. The vehicle we travelled in for our journey was by car. It also took more than an hour to reach our destination. It was a long way!

When we arrived at the seaside the first thing we did was to play on the sand with our equipment. The beach also had stones and shells on the sand. Then it got boring for playing it over again, so I got ready to get changed into my swimming costume. Finally the moment I'd been waiting for came as we ran and jumped into the sea. When we got in the sea we played splashing in the water. I saw also my best friend in the sea and I played with him too. We talked about the holidays we had.

He said, "Holidays are the best especially when you're at school, you feel like having holidays for six weeks."

I replied "Yeah! That will be great! Having six weeks holidays, can you imagine?"

After playing in the sea, when we were still playing and chatting his Mum called him to go because they were going home, so he told me that he was going to meet me at school. I replied "Bye!"

Then it was time for our picnic and for our food. We had crisps, chocolate, cookies, cakes, doughnuts, sandwiches, fruit and for drink we had Coca Cola, water and apple juice. Then when we had finished our picnic it was time to go home so we packed our things and went to put it in our car, also we bought

candyfloss just before we were going home. After that, we got into the car, and we were ready to go home. I was really sleepy, but I felt like staying there for a day. I think I shouldn't forget 'A day when I was at THE SEASIDE!'
